

JMPHS Exam Schedule May 2024

Below is the exam schedule for JMPHS. Attendance is mandatory for all students. All students (including online, dual enrollment, and Big Bend Tech students) must take exams during these designated times. **Students must stay for their entire exam period - they may not check out and go home.** Students with classes at MCHS need to make arrangements for when to take their MCHS exams and coordinate it with both their JMPHS and MCHS teachers.

Seniors may be exempt from their semester exam if they have an 85 or higher “Final” average in Skyward when grades are checked on Wednesday May 8th, 2024, at 3pm, AND if their teacher allows it. Some special exams, such as certifications exams, must be taken by all students, even seniors who may have a high average in the class.
